Re: PRA request made on October 17, 2018

Dear Mr. Sinyangwe :

This letter follows up our previous responses to your request for records, received on October 17, 2018, under the California Public Records Act (Gov. Code § 6250, *et seq.*). We have located documents that appear to respond to your request. Those documents are being made available to you in electronic format through the following link:

<https://www.imanageshare.com/pd/mh4E5N46a0>

Please notify us if you have any problems accessing the documents through the above link. I'd like to point out that the above link is only regarding the Pomona Police Departments' active cases for the year of 2018. The document provides responses to your request for case caption, date, nature of lawsuit, status of case, and outcome of case. Race of complainant is not collected by the city for these cases. Please let me know if the format and the information you've requested is acceptable.

City staff members are continuing to gather and review documents that may be responsive to your request. We estimate that another group of responsive documents can be made available to you beginning May 3, 2019. If we are able to make the records available prior to the dates indicated above, we will do so. Likewise, if we require additional time to complete the review and redaction, if necessary, of the responsive documents, we will notify you in writing on or before the above listed dates.
